Gentlemen and Mrs. Schmidt:

The City Plan Commission at its Business Meeting in November of 1979 passed a motion requesting that the City Council WITHDRAW the currently introduced recodification, Bill No. G-79-02-18, of the Zoning Ordinance and introduce the new recodification.

We are requesting this withdrawal of Bill No. G-79-02-18 in order that the revised recodification of the Zoning Ordinance will not have amendments, but instead will be a combination of Chapter 36 of the old Municipal Code and Chapter 33 of the recodified Municipal Code.

The City Plan Commission will submit amendments to the recodified Zoning Ordinance following its passage. Some of the amendments which we hope to submit in the future include: Family Day Care, New Shopping Center Ordinance, Office Park District, and Regulated Uses.

If you have any questions regarding this matter, please contact us.

This ordinance received a DO PASS recommendation with the following recommendations to be forwarded to the Board of Zoning Appeals:

a. The petitioner shall install a sidewalk along E. State Blvd., as part of the development of the R-3 property.
b. The developer will dedicate additional right-of-way, if necessary, to facilitate the widening of E. State Blvd., to 4 lanes.
c. The developer will provide one appropriate traffic control device at his point of ingress and egress and if and when it is deemed necessary to install a signal at Grandeur and East State as determined by the Traffic Engineering Department, the Neighborhoods and the Developer. There will be an attempt at that time to pursue funds to pay for same.
d. The geometrics of the E. State Blvd., access shall be determined by the Traffic Engineering Department and in cooperation with the developer.

We would feel that the widening of E. State Blvd., is an integral part of this rezoning. Therefore, the Commission and the City along with Hardware Wholesalers, Inc., should examine sources of funds that could be utilized to accomplish the improvement.
